

The slide features a header with the 'medi-share' logo on the left, and 'EDU/INK', 'CINECA', and the European Union flag on the right. The background is a light blue map of Africa. The main content is a list of tools under the heading 'Medishare Platform Tools:'. The 'Web Community Area' item is highlighted with a red rectangular border.

Medishare Platform Tools:

- Epidemiological Registries
- Web Community Area
- E-learning

The slide features a header with the 'medi-share' logo on the left, and 'EDU/INK', 'CINECA', and the European Union flag on the right. The background is a light blue map of Africa. The main content is a text box describing the Web Community Area, followed by a list of available tools.

The Medishare Web Community Area

Web-based IT infrastructure, based on standard Internet technology, implemented to support the network for the secure communication among the participants

Tools available:

- a. Document Workflow, with central repository
- b. Meetings & Events Management
- c. Forum for open discussions
- d. Contact Tools
- e. Built-in Search engine for information retrieval
- f. Application Form Submission Tool (Call for proposals)
- g. Online Questionnaires
- h. Periodical on-line Reporting & Statistics
